

2026 Hillrom International Pressure Ulcer/Injury Prevalence Survey (IPUP/IPIP)

Survey Dates: **March 1-31**

Register for this survey
online at:
clinical.baxter.com

Who can participate?

Acute care, long-term care, long-term acute care and rehabilitation organizations around the world volunteer to participate in the data collection process.

What are the costs?

The IPUP Survey and Report are offered at no cost to you. Just schedule your staff to conduct the survey, setup your workflow (laptops, mobile device, paper), and results will be available the same day. Benchmarks will be available in mid May 2026.

When is the 2026 survey?

The survey window for the 2026 survey is a month long period. There is a flexible data collection window – choose the 24-hour period that best fits your needs. The survey dates for 2026 are March 1-31.

Core Features

- Streamlined data entry process
- Enhanced insights on Stage 2 Pressure Injuries
- Simplified record editing process
- Enhanced reporting capabilities
- System level access to reporting
**Requires validated facility listing from customer*

Determine your goals

- How do you compare to national pressure injury benchmarks?
- Are pressure injury prevention programs consistently followed at your organization?
- When was the last time pressure injury activity was measured at your organization?
- Would a pressure injury reporting process help your organization meet its goals?

Registration Information

- Facilities can register anytime between December 1, 2025 and March 19, 2026.
- Registration Closing: 03/19/2026
